READ—

Government Order No. P.W. 4824-30, dated 20—24th January 1945, delegating enhanced powers to the Chief Engineer of Mysore and the Superintending Engineers of Circles.

2. Government Order No. 2793-2892—C.B. 93-49-1, dated 27th September 1949, sanctioning the re-organisation of the Public Works Department.

3. Government Order No. C.S. 18629-18728—C.B. 29-50-3, dated 28th March 1951, passing orders on the proposals for expediting despatch of Government business.

4. Letter No. 1978—S., dated 2nd August 1951, from the Chief Engineer, forwarding proposals for suitably enhancing his powers of sanction to estimates, acceptance of tenders, etc.

ORDER No. P.W. 976-77—EST. 45-51-3, DATED BANGALORE, THE 29TH APRIL 1952.

On account of the abnormal rise in the cost of labour and materials after the war, the cost of works has increased by three to four times the pre-war rate, with the result that even works of small magnitude which were within the powers of sanction of the Chief Engineer have to come up to Government for sanction. The Chief Engineer has, therefore, forwarded proposals for suitably enhancing his powers of sanction, etc.

2. After careful consideration, sanction is accorded to the existing powers of the Chief Engineer being enhanced as indicated in the annexure to this Government Order.

K. S. GANGADHARA,
Secretary to Government,
Public Works Department.
